This index is intended as a continuation of Mrs. Jean D. Worden's *The New York Genealogical and Biographical Record 113 Years Master Index 1870-1982*, published in 1983. While now out of print, Mrs. Worden's index is widely available in libraries, and in the NYG&B eLibrary.

The present index consists of three parts: 1) Compiled genealogies and family records, indexed by principal surnames; 2) Source records and collective genealogies, indexed by location; and 3) Other articles, indexed by subject.

The abbreviation A/C refers to Additions and Corrections to prior articles, published in each October issue.

To determine the date of a volume, add 1869 to the volume number; for example, the first citation in the index is to 121:230-234. The date of volume 121 is 1869+121 or 1990.

To determine the issue in which pages were published, use the following table:*

Volume (Year)	January (no. 1)	April (no. 2)	July (no. 3)	October (no. 4)
114-118 (1983-1987)	(pages) 1-64	65-128	129-192	193-256

120-126 (1989-1994)	1-64	65-128	129-192	193-256
127 (1995)	1-96	97-160	161-224	225-288
